Mr. Tom McNeelan

Dear Tom,

On behalf of the Grays Harbor County Sheriff's Department, I would like to thank you and your club for your assistance with a search for evidence on July 7, 1990. A crucial piece of evidence was found after the area had previously been searched by me without any success. I am enclosing some photographs of that search for your scrapbook.

I spoke with the property owner the other day, and he and his wife both told me that there were no indications that your club had even been there. I feel that speaks very highly to the expertise that your members displayed in not disturbing an area that they had searched.

Please pass along my thanks to everyone involved.

Sincerely,

DENNIS MORRISETTE, Sheriff
Grays Harbor County
