RE: LETTER OF APPRECIATION

Dear Mr. Shape:

Because of your interest in metal detectors, you were recently asked to assist the Federal Way Precinct of the King County Department of Public Safety in an evidence search, by using your equipment.

Your efforts resulted in the location of two spent shell casings, which were crucial to an assault with a firearm case.

Your willingness to assist this agency, on your own time and without compensation, is very much appreciated and reflects a high standard of civic spirit.

Thanks again for your assistance.

Sincerely,

JAMES E. MONTGOMERY, SHERIFF-DIRECTOR

ROBERT C. EVANS, MAJOR
Commander, Federal Way Precinct
