CASCADE TREASURE CLUB

Our club has been in existence since February 1973. Our membership is open to anyone who is interested in treasure hunting and the great outdoors.

We meet the second Sunday of each month at 5 PM at the:

Highland Park Improvement Club
1116 SW Holden Street
Seattle Washington

Membership in our club runs from January 1 through December 31 of each year. Dues are prorated for

those who join during the year.

Membership dues, including * *FMDAC* dues are, **Family: $ 30**
Single: $ 25

***FMDAC: Federation of Metal Detector and Archeological Clubs*

Upon joining the Cascade Treasure Club, each membership receives a package that contains a copy of our Constitution and Bylaws and other pertinent information. Each membership receives a monthly newsletter that lists club activities and other valuable and hopefully interesting reading.

We have functions during the year, most of which have to do with treasure hunting. These include various trips, treasure hunts, detector outings and other activities.

Our club is also community service oriented. We have and will continue to assist the law enforcement agencies whenever called upon. Also we strive to have members bring at least one non-perishable food item to each meeting. These are then distributed to area food banks.

One of the highlights of each regular meeting, is our **"Find of the Month"** competition. This is a chance for all members to show-off their best finds in four different categories. These are items, "treasures" which have been found since the previous meeting. Since only members may enter this contest and vote for their favorite entries, this is a distinct advantage to becoming a member.

The **Raffle** at each meeting is open to all in attendance and always consists of some very nice prizes and silver coins. There is also and additional raffle for a **Silver Dollar.** Everyone is encouraged to participate. Being a member also entitles you to participate in our **Gold** coin raffle.

All members of the club have their names in the **"Jug of Hope"**. Any member who attends and wishes to participate need only contribute a quarter and if their name is drawn, they win the "pot". If the name is a member who is not present or has not paid their quarter, the contents of the pot are carried over to the next meeting.

In consideration of those who do not smoke, we ask that if you do smoke, please limit it to the outside area of the building.

Should you have any questions, please feel free to ask any of our officers or board members. To send a letter of correspondence, please mail it to:
