2002 – A good year for Ken Cochran...

From time to time it is fun to feature a club member's good fortune or one of their meaningful treasure hunting experiences. In this case Ken Cochran, who had his best year (so far) in 2002. Previous successful efforts of long standing members helps to show the new folks what is possible in the field. Ken's good year was a result of shallow water & tot lot detecting as well as scooping in local lakes. Historically, Ken was nicknamed "the ring guy" for his seemingly unending supply of gold & silver rings brought to the meeting each month. It seems every club has a "ring guy"—a well deserved & respected title.

March Subject of the Month... was shell casings, bullet leads and other related items. Thanks to the following club members for bringing in their special collections: Jon Gentry & Matt Mechler for their mid-1800's bullets & shell casings. Ron Aldridge talked about musket balls & his 1850's double barrel hand gun.

Joys & Concerns... Ruth Sarvis's dad passed away. Rick Razor is settling into his new job.

Membership Dues are Due... (\$25.00 single, \$30.00 family) Payment of dues must be before May 1, 2014 to enter the May Find of the Month & other raffles.

Scavenger Hunt Contest Winners...First place: Mark Jenkins, Second place: Dave Frickelton & Third place: Joe Sacco. New contest began after the April 2014 meeting & ends at the Oct. 2014 meeting (see Jon Gentry's flyer pg. 8).

Awards...Joe Sacco won \$22.00 in the Jug of Hope! The Silver Dollar raffle was won by Sue Kaas. AOK Award was won by Sue Kaas & her niece for making dinner at the board meeting...No-No Award was won by Joe Sacco for losing some of his finds.

Club Patches & Hats...Patches are \$8.00 ea. & Hats are \$15.00 ea.

The Club Plaque Contest...The club plaque is a unique piece of metal buried somewhere in King County & a clue to its location is given monthly until found. A prize of \$20.00 will be awarded to the lucky finder.

- Clue 1: **The sound of the last streetcar echoed from the ravine as the young women headed home from the fair**
- Clue 2: **Once a place where old growth timber stood until an official thought someone else needed the wood...**
- Clue 3: **Off the bend in the road a place to park...a short northern walk & you can see the mark.**
- Clue 4: **The newer pennies are found coated...looking a little bloated.**
- Clue 5: **The old pipe was once green...to help make it less seen, but an unseemly fellow sprayed it with yellow & it now looks unclean.**
- Clue 5: **A mere 30 paces & you are near. Graffiti abounds & the message is clear... that the wood holds this prize so dear.**

April's AOK Award was won by Sue Kaas (but mostly her sister Allison) for dinner at board meeting.

May 7th Board Meeting...Wednesday 7:00 p.m. at Ralph & Judie Shape's home, 3757 So. 194th, SeaTac, 206-592-8270.

May 11th Club Meeting...No Subject of the Month for this meeting: Mothers Day Cookies compliments of Caroline Townsend and Tom Galloway.

Upcoming CTC Events...The 2014 Activity List is being well supported, but please check for additional opportunities to help.

Other Upcoming Events...**Swath Hunt:** May 10, 11 & 12, Richland...**MayFest 2014:** Pilchuck Treasure Hunters Club on May 23, 24 & 25 at Stanwood Fairgrounds, Stanwood WA, contact: Lora Hetzel @ 425-308-2255...**NWTHC Hunt:** June 14, 15, & 16 at Kootenai County Fair Grounds, Coeur d'alene Idaho, contact: Duncan Bell @ 208-687-1570 or skdjbell1@msn.com...**Frazer Valley Treasure Hunters 2nd Annual Hunt,** July 26, Chilliwack, B.C.

Detecting Alerts...• It is recommended to use a ground cloth or similar to keep the dirt from discoloring the grass & leaving a mess. • Please be aware of the warming weather & its hastened effect on drying out plugs (even a few days of hot weather). A suggestion would be to avoid detecting on lawns & meadows (public & private) until the rainy season returns in early winter. Typically a dried plug will be blown out when mowed or critters may pull a plug looking for worms. Beach detecting or in wooded areas might be a good alternative. Also with the warm weather more people are observing our hobby & perhaps asking more questions. Courtesy & rapport can present our hobby in a more positive light & discussion about the removal of junk & hazardous material will probably go a lot further than talking about that last silver coin.

April's NoNo Award was won by Joe Sacco for losing his finds.

Detecting on Public Land...When in doubt check with city, county, state or other inter-governmental websites for current regulations as there could be serious consequences both for you & the hobby in general. WA State Parks Metal Detecting Pamphlet answers many questions on which state parks are open & where to hunt. Their website has maps & registration forms for many of the open parks.

- The City of Burien requires metal detecting permits (at no cost from the city parks dept.).

Activity Fees for Non-members...continuing in 2014 \$15.00 for a club activity & \$12.00 for hunt only.

Club Growth...we are always looking for new people to get involved. Ideas for new activities, ways to help our community & promote our hobby are always welcomed.

Bring in Food Bank Donations...food is needed all year long at local food banks. It is suggested that each member bring at least one can of food to the meeting. Please ensure the items donated are not past the pull date and nothing opened.

Special Thanks to the businesses...who provide support & donations for our hobby & events: Jeffery Sarvis, Treasure Dude Detectors, 206-229-3932; Northgate Coins, Bryan Geraghty, 206-364-0090.
